

Dear Friends,

We are delighted to bring you recent updates from Koinonia. As we come to the end of term 3, we take this opportunity to thank you for all your support and encouragement throughout and wish you God's blessing in all your endeavors.

### Parent / Teacher Consultation

The annual consultation this year was held on Wednesday 17th June 2015. This is a forum whereby a parent is able to discuss in detail about his/her child's academic progress with the teacher who highlights areas of concern that need the parent's attention. A letter of invitation was sent to the parents together with schedule of the appointment at least 2 weeks before the consultation. Time allocated for each

parent was 20 minutes. This year 58 out of 64 parents attended. Students who had special concern had a session with the teacher and the Principal Mrs. Ichihashi. All High School students came with their parents on that day and had a session with the Principal about their future plans. The program was a great success and we look forward to another one next year.

### Kindergarten Exchange Program

On 26th June 2015 Kyuna Kindergarten invited Koinonia Kindergarten for a whole day exchange program. This was a very special day as the two kindergarten's children interacted, played and built friendships. The change in environment was received with excitement and Joy and greatly refreshed the children. Koinonia children learnt a lot as they participated in Music, Art and Craft lessons.

### Football Match

This term, Koinonia students participated in two football events; the first event was at King's Kids where we had three teams. Under 12, under 15 and over 15, we managed to play three game and won one game of the under 15, we drew in the under 12 and lost in the under 15. On 18th July, we went to Japanese school for another friendly game where our under 12 team drew with Japanese school and lost to Moyo School, Thika. For over 13, we lost to the Japanese school but beat Moyo School.

### Animal Orphanage Trip

The 7th of July 2015 was such a great day for Impala, Eland and Kudu class children. They all looked forward to the trip to the Animals' Orphanage and when the day finally came; their excitement was evident. A little change from the norm was a welcome gesture.

The trip was a great success. The children learnt quite a lot about the different animals. They saw the lions, leopards, cheetahs and the crocodiles amongst many other animals. None of the children was scared of these animals. They had such an awesome experience!! This shall always be helpful to them as they continue with their studies.
